

NFL Rankings

1

Att

Att: Short for "attempts," the number of times a player tries to do something, like throwing a pass.

SCK

Sck/SckY: Sack and sack yards, indicating when the defense tackles the quarterback behind the line of scrimmage, resulting in a loss of yards.

2

CMP

Cmp: Abbreviation for "completions," which means successfully executing a task, like completing a pass.

TD

TD: Touchdown, the ultimate goal in football, scored when a team crosses the opponent's goal line.

3

Yrds/Att

Yds/Att: Yards per attempt, a measure of how many yards a player gains each time they try something, like throwing.

INT

INT: Interception, when the defense catches a pass thrown by the opposing team.

4

1st%

1st%: The percentage of attempts that result in a first down, showing effectiveness in moving the ball.

LNG

Lng: Abbreviation for "longest," representing the greatest distance achieved in a single play.
